Taxation

Investors and prospective Investors are advised to consult with their tax advisers with respect to the tax consequences of the purchase, ownership, disposition, lapse or exercise or redemption of a Product in light of their particular circumstances. The Issuing Parties and the Lead Manager hereby expressly exclude any liability in respect of any possible tax implications.

Information with regards to FATCA (Foreign Account Tax Compliance Act)

Any payment under this Product may be subject to withholding tax (such as, inter alia, withholding related to FATCA or 871(m) of the US Tax Code). Any payments due under this Product are net of such tax. If an amount in respect of Section 871(m) of the U.S. Tax Code were to be deducted or withheld from interest, principal or other payments on the Products, none of the Issuer, any Paying Agent or any other person would be required to pay additional amounts as a result of the deduction or withholding of such tax, i.e. the Investor would receive a significant lower amount than he would have received without such deduction or withholding.

Product Documentation

The Termsheet contains a summary of information of the Product and is for information purposes only. **Only the Final Termsheet together with the Issuance and Offering Programme of the relevant Issuer valid as per the Initial Fixing Date containing all further relevant terms and conditions, as such is amended from time to time (the "Programme"), shall form the entire and legally binding documentation for this Product ("Product Documentation"),** and accordingly the Final Termsheet should always be read together with the Programme. Definitions used in the Final Termsheet, but not defined therein, shall have the meaning given to them in the Programme. **Even though translation into other languages might be available, it is only the Final Termsheet and Programme in English which are legally binding.**

Notices to Investors in connection with this Product shall be validly given in accordance with the terms and conditions of the Programme.

During the whole term of this Product, the Product Documentation can be ordered free of charge from the Lead Manager at Europaallee 39, 8004 Zurich (Switzerland), via telephone (+41-(0)58-800 1000*), fax (+41-(0)58-800 1010) or via e-mail (termsheet@leonteq.com). Please note that all calls made to numbers marked with an asterisk (*) are recorded. By calling such number, your consent to the recording is deemed given.

Guarantee

This Product is secured under the Guarantee Agreement between the Issuer and the Guarantor which is governed by Swiss law. The Guarantor guarantees for the payment of the redemption amount or any other cash settlement amount, or, as the case may be, to deliver the Underlying, in cases of the Issuer's failure to deliver the Underlying or make payment of the redemption amount or any other cash settlement amount for the benefit of the Investor in respect of any Product that is issued by the Issuer and for which the Guarantor guarantees.

The Guarantee Agreement applicable to this Product is included in the Programme of the relevant Issuer valid as per the Initial Fixing Date and a signed copy may be ordered free of charge from the Lead Manager.

II. Prospects for Profit and Loss

This product falls within the category "Capital Protection". Depending on whether the Product is capped or not, the profit an Investor could realize with this Product at redemption is limited (with cap) or unlimited (without cap). Any profit is composed of the invested capital (excluding any transaction or other costs) multiplied by the Capital Protection plus any additional (guaranteed and/or conditional) payments such as coupon or participation payments, bonuses or others.

On the downside the Investor's exposure to the Underlying(s) is floored at the Capital Protection level.

Please refer to the sections "Product Description" and "Redemption" for more detailed information on the characteristics of this Product.

III. Significant Risks

Risk Factors Relating to the Product

The risk of loss related to this Product is limited to the difference between the purchase price (if higher than the Capital Protection) and the Capital Protection. However, during the life of the Product, its price can fall below the protection level.

Additional Risk Factors

Prospective Investors should ensure that they fully understand the nature of this Product and the extent of their exposure to risks and they should consider the suitability of this Product as an investment in the light of their own circumstances and financial condition. Products involve a high degree of risk, including the potential risk of expiring worthless. Potential Investors should be prepared in certain circumstances to sustain a total loss of the capital invested to purchase this Product. Prospective Investors shall consider the following important risk factors and see the section "Risk Factors" of the Programme for details on all other risk factors to be considered.

This is a structured product involving derivative components. Investors should make sure that their advisors have verified that this Product is suitable for the portfolio of the investor taking into account the investor's financial situation, investment experience and investment objectives.

The terms and conditions of the Product may be subject to adjustments during the lifetime of the Product as set out in the Programme.

Investors whose usual currency is not the currency in which the Product is redeemed should be aware of their possible currency risk. The value of the Product may not correlate with the value of the Underlying(s).

Market Risks

The general market performance of securities is dependent, in particular, on the development of the capital markets which, for their part, are influenced by the general global economic situation as well as by the economic and political framework conditions in the respective countries (so-called market risk). Changes to market prices such as interest rates, commodity prices or corresponding volatilities may have a negative effect on the valuation of the Underlying(s) or the Product. There is also the risk of market disruptions (such as trading or stock market interruptions or discontinuation of trading) or other unforeseeable occurrences concerning the respective Underlyings and/or their stock exchanges or markets taking place during the term or upon maturity of the Products. Such occurrences can have an effect on the time of redemption and/or on the value of the Products.

No dividend payment

This Product does not confer any claim to receive rights and/or payments of the underlying, such as dividend payments, unless explicitly stated herein, and therefore, without prejudice to any coupon or dividend payments provided for in this Termsheet, does not yield any current income. This means that potential losses in value of the Product cannot be compensated by other income.

Credit Risk of Issuing Parties

Investors bear the credit risk of the Issuing Parties of the Product. The Products constitute unsubordinated and unsecured obligations of the relevant Issuing Party and rank pari passu with each and all other current and future unsubordinated and unsecured obligations of the relevant Issuing Party. The insolvency of an Issuing Party may lead to a partial or total loss of the invested capital.

Potential Investors should note that the Issuer is not rated by the credit rating agencies, i.e. there is no credit rating for the Issuer.

Secondary Market

The Issuer and/or the Lead Manager or any third party appointed by the Issuer, as applicable, intends, under normal market conditions, to provide bid and offer prices for the Products on a regular basis (if specified in the section "General Information"). However, the Issuer and/or the Lead Manager, as applicable, make no firm commitment to provide liquidity by means of bid and offer prices for the Products, and assume no legal obligation to quote any such prices or with respect to the level or determination of such prices. In special market situations, where the Issuer and/or the Lead Manager is/are unable to enter into hedging transactions, or where such transactions are very difficult to enter into, the spread between the bid and offer prices may be temporarily expanded, in order to limit the economic risks of the Issuer and/or the Lead Manager.

Illiquidity Risk

One or, if applicable, more of the Underlyings might be or become illiquid over the life time of the Product. Illiquidity of an Underlying might lead to larger bid/offer spreads of the Product and/or to an extended time period for buying and/or selling the Underlying respective to acquire, unwind or dispose of the hedging transaction(s) or asset(s) or to realise, recover or remit the proceeds of such hedging transaction(s) or asset(s) which might implicate a postponed redemption or delivery and/or a modified redemption amount, as reasonably determined by the Calculation Agent.

Additional Information / Disclaimer

Prudential Supervision

EFG International Finance (Guernsey) Ltd. falls within the consolidated regulatory supervision of EFG International AG by FINMA and is neither licensed nor supervised by any Guernsey authority. Neither the GFSC nor the States of Guernsey Policy Council takes any responsibility for the financial soundness of the Issuer or for the correctness of any of the statements made. Conflict of Interests

The Issuing Parties and/or the Lead Manager and/or any third party appointed by them, as the case may be, may from time to time, as principal or agent, have positions in, or may buy or sell, or make a market as well as be active on both sides of the market at the same time in any securities, currencies, financial instruments or other assets underlying the products to which this document relates. The Issuer's and/or Lead Manager's and/or the appointed third party's trading and/or hedging activities related to this transaction may have an impact on the price of the Underlying and may affect the likelihood that any relevant Barrier Level, if any, is reached.

Remunerations to Third Parties

Depending on the circumstances the Issuer and/or Lead Manager may sell this Product to financial institutions or intermediaries at a discount to the Issue Price or reimburse a certain amount to such financial institutions or intermediaries (reference is made to section "General Information" herein). For open-end products such fees will be split linearly over ten years.

In addition, for certain services rendered by distribution partners and to increase quality and services relating to the Products, the Issuer and/or Lead Manager may from time to time pay trailer fees to such third parties.

Further information is available on request.

Payment of a Coupon

If the Product stipulates the payment of a Coupon, the Investor is only entitled to receive the respective coupon payment, if he has purchased/not sold the Product at the latest on the Business Day preceding the respective Coupon Ex-Date for the then prevailing price.

No Offer

The indicative Termsheet is primarily provided for information purposes and does not constitute a recommendation, an offer or a solicitation of an offer to buy financial products.

No Representation

The Issuer, the Lead Manager and any third party appointed by them make no representation or warranty relating to any information herein which is derived from independent sources.
